

A watercolor illustration of a large, dark brown rock archway. The archway frames a view of a landscape with blue mountains and a body of water. The foreground is a sandy, orange-brown ground. The sky is a light blue. The style is painterly and textured.

WHOLESALE CATALOG 2016

HELLO!

Welcome to a new year filled with inspiration and adventure! 2016 is a year of transition, as I'll be completing the *50 States* series later in the year, and embarking on several new projects. Also on the docket for this year is the release of my first book, *Dead Feminists*, coming in October from Sasquatch Books (see page 28 for details). What hasn't changed is my love of historic themes and vintage style, which you'll find in my products, blended with modern line and color. Each piece is meticulously detailed, and anchored with my signature style of hand-lettering.

Sending you best wishes from the Pacific Northwest!

~ CHANDLER O'LEARY

“DRAWN THE ROAD” ART PRINTS

HAVE SKETCHBOOK, WILL TRAVEL.

“Drawn the Road Again” is my illustrated travel blog, documenting the wonder and hilarity of the American road trip. The blog features sketchbook drawings from the road, and has inspired a whole range of art prints—from sketchbook drawing reproductions to a line of travel illustrations.

These archival art prints are printed locally in small batches, on 100% rag (cotton) Moab Entrada paper. Each print is available in two sizes: 9 x 12 inches and 11 x 14 inches, and ships flat in a protective sleeve.

DEAD FEMINISTS POSTCARDS

OVERSIZED POSTCARDS (5 x 8 inches), 22 designs available. **\$1 each**

A PROJECT BY **CHANDLER O'LEARY & JESSICA SPRING**

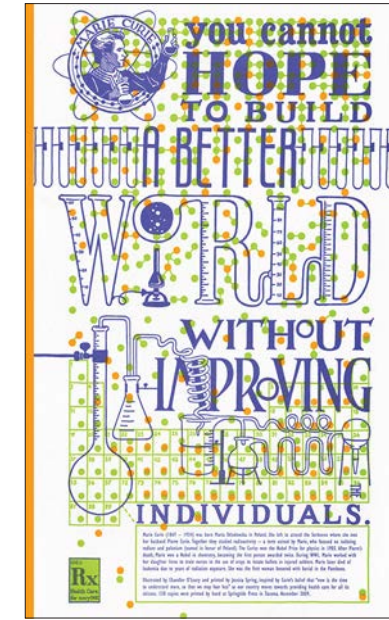

The *Dead Feminists* series is an ongoing collaboration between illustrator Chandler O'Leary and letterpress printer Jessica Spring. Our poster series began in 2008, incorporating quotes from women in history with current social, political and environmental issues and themes. The original posters are letterpress printed from entirely hand-drawn illustrations and lettering. These reproduction postcards faithfully capture the designs and colors of the posters. Each postcard is oversized for legibility, is printed on a smooth eggshell-finish cardstock, and requires extra postage (cards mail at the regular USPS letter rate).

COMING IN
OCTOBER 2016

We are pleased to announce the forthcoming publication of our first book! *Dead Feminists* takes feminist inspiration to a new level of artistry and shows how ordinary and extraordinary women have made a difference throughout history (and how you can too).

Dead Feminists is available for wholesale preorder direct from the publisher (see next page for details).

PRAISE FOR *DEAD FEMINISTS*:

“At once a tale of claiming the process and technology to tell our stories and a history of women, this book introduces us to remarkable women we never knew, and reintroduces us to those we only thought we knew. These dead feminists, so often kept in the shadows, glow with life.”

— Kseniya Thomas & Jessica C. White, authors of *Ladies of Letterpress*

“*Dead Feminists* offers well-researched and meticulously illustrated insight into some of America’s inspiring historic heroines—but it also goes way beyond that. This book is a profound and super-smart look at feminist craft, creation, and collaboration, and reminds us that what goes on behind the scenes can be just as powerful as the finished product. I am so grateful to Chandler and Jessica for allowing us into their radical world.”

— Kate Schatz, author of *Rad American Women A-Z* and *Rad Women Worldwide*
