WHOLESALE CATALOG
SPRING 2023

HELLO!

Happy 2023! This is a big year in the studio, as my newest book, *On Island Time*, is being published. I'm also embarking on the next book to come, experimenting with new products, filling new sketchbooks, and finding inspiration both at home and on the road.

I am thrilled to be represented by Artemis Book Sales (based in Portland, OR) for wholesale orders! Jeff and Amy at Artemis have been big supporters of my work for years, and would be happy to help you find the right mix of products for your shop. You'll find their contact info on page 48.

Thank you for all your support, whether we've just met or you've known me for years. Sending you the very best wishes from the Pacific Northwest!

~ CHANDLER O'LEARY

DEAD FEMINISTS SERIES

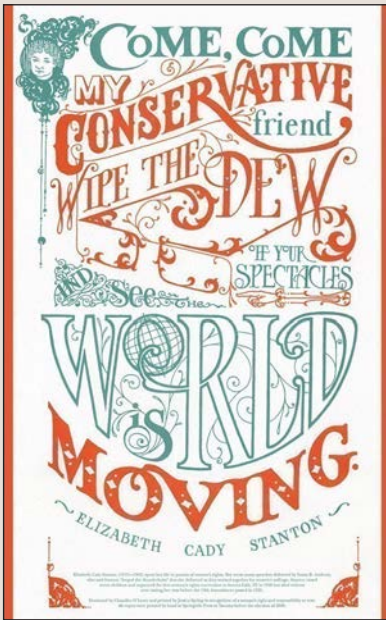

A PROJECT BY CHANDLER O’LEARY & JESSICA SPRING

The *Dead Feminists* series is an ongoing collaboration between Chandler O’Leary and Jessica Spring. Our poster series began in 2008, incorporating quotes from women in history with current social, political and environmental issues and themes. The original posters are letterpress printed from entirely hand-drawn illustrations and lettering. These reproduction postcards faithfully capture the designs and colors of the posters. Each postcard is oversized for legibility, and printed on a smooth eggshell-finish 14-pt cardstock—we recommend using either a ballpoint pen or a permanent marker with smear-proof ink. Requires extra postage (cards mail at the regular USPS letter rate).

OVERSIZED POSTCARDS

Smooth-finish eggshell (coated) cardstock.
Ballpoint or permanent pen recommended for writing.

OUR BOOK!

Our award-winning book, *Dead Feminists*, takes feminist inspiration to a new level of artistry and shows how ordinary and extraordinary women have made a difference throughout history (and how you can too).

Dead Feminists is available for wholesale order direct from the publisher (see next page for details).

PRAISE FOR *DEAD FEMINISTS*:

“At once a tale of claiming the process and technology to tell our stories and a history of women, this book introduces us to remarkable women we never knew, and reintroduces us to those we only thought we knew. These dead feminists, so often kept in the shadows, glow with life.”

— Kseniya Thomas & Jessica C. White, authors of *Ladies of Letterpress*

“*Dead Feminists* offers well-researched and meticulously illustrated insight into some of America’s inspiring historic heroines—but it also goes way beyond that. This book is a profound and super-smart look at feminist craft, creation, and collaboration, and reminds us that what goes on behind the scenes can be just as powerful as the finished product. I am so grateful to Chandler and Jessica for allowing us into their radical world.”

— Kate Schatz, author of *Rad American Women A-Z* and *Rad Women Worldwide*
